

Dale White

Dale White is the author of *40 Winters: A Journey to Extraordinary Living*. For forty years, alcohol and drugs shaped his choices and cost him relationships, a successful restaurant, and his freedom. His journey through addiction and incarceration ultimately led him to surrender his life to Jesus Christ. Dale will celebrate 15 years of recovery in October 2026.

For more than ten years, Dale served as the Celebrate Recovery Inside State Representative for Florida and Team Lead for the southeastern United States. He also co-founded The Living Harvest, a Celebrate Recovery driven residential reentry program for men in Tallahassee, Florida. His work has taken him to criminal justice reform meetings at the White House, and he has been recognized for public service at the Florida Governor's Mansion.

Today, Dale serves as a Senior Correctional Resource Manager for Prison Fellowship, the nation's largest Christian nonprofit serving incarcerated people, formerly incarcerated people, and their families. Prison Fellowship celebrates 50 years of ministry in 2026. Dale builds relationships with chaplains and Departments of Corrections across the country, opening doors to share his testimony and provide prisons and jails with resources such as Angel Tree, Bibles, and Inside Journal. Through *40 Winters*, he hopes to assure readers that there is no limit to what God can do in a person's life.
